

# Building our Train Station.....

## Brick by Brick

Our little train, actually one similar to it, has come home to Star and we are building a permanent place for it to stay. It will be placed on the front lawn of the Town Hall so that it can be seen and enjoyed by the residents of Star and visitors to our town. We need your help to finance this project, so we are selling engraved paving bricks. They can be given In Honor of Someone, In Memory of Someone or however you would like it given.

- For a 4" x 8" brick, you may have up to 3 lines of text, cost is \$50.00 per brick.
- Each line of text may contain up to 20 characters, leave a blank box to indicate a space between words.
- Please complete a separate form for each brick you wish to order.
